RAMSA at SCUP-51

July 9-13, 2016

Vancouver Convention Center, West Building
1055 Canada Place, Vancouver, BC, V6C 0C3

Robert A.M. Stern Architects will once again participate in the Society for College and University Planning's Annual International Conference, held this year in Vancouver, Canada. The firm will exhibit in the Commons at Booth 214. Visitors to the booth will meet with a team of design professionals and view one of the firm's recently completed 500-seat auditoriums through a cutting-edge virtual reality system.

In addition to the activities at the Booth, RAMSA Partner [Graham S. Wyatt](#) will participate in the panel discussion "Architect Selection: Past Principles, Current Trends, and What's Next," on July 12. For more information about the panel, please [click here](#).
